## Freestanding awning

The Cubola® is a patented product.

Cubola the versatile design freestanding awning named after 'cubo', which is the Italian word for cube. The name relates directly to its appearance, as the Cubola is either square or rectangular and has four characteristic square supports.

Thanks to its unique design, this awning can be almost effortlessly incorporated in any home environment. The Cubola's adjustable frontpanel allows it to be opened in a vertical or diagonal position, and everything in between.

Do you wish for a freestanding Cubola? A Cubola installed against a wall? Or even several Cubolas connected together? All of these options are available. Please ask your dealer about the extensive possibilities.
